Call the Director

At the start of play pre-alert any unusual bidding style. Players must explain clearly the meaning of a bid when asked. It is not enough to simply say "CRO" or "Michaels", they must state the point range (eg 6-9HCP) and the distribution (eg 5/5 lowest unbid suits). All players are required to know their basic system. If a bid is made that is outside the scope of the partnership agreement, it is acceptable to say, "Undiscussed", but this is a last resort. It is not acceptable for experienced players to say, "I don't know".
