Novice Pairs – Wide Bay Zone

This event will take place on Sunday, March 6 at Maryborough Contract Bridge Club commencing at 9 am sharp. Entries close on 2nd March. Players with less than 100 MPs are encouraged to attend as it is generally a good day of bridge.

GNOTs

This is an excellent opportunity to gain some gold master points. This is a team's event and will be played over three Wednesdays. Subs allowed. Please put your names/teams on the sheet provided. During these three weeks there will be no walk-ins.....players must be part of a team or you can put your name on the list if willing to sub.

Kitchen Roster

A blank roster has been placed on the table and members are encouraged to put their name down to take a turn at looking after the kitchen for a session. Kitchen duties are displayed on the refrigerator door. Thank you to those who have already indicated their willingness to help.

Masks

While mandated, masks must be worn correctly at all times, unless consuming food or drink. It is important to ensure the nose and mouth are both covered unless actually drinking or eating.

Morning/Afternoon Teas

Kitchen access rules have been relaxed with time restrictions no longer in place. However, social distancing requirements must be adhered to and players should clean and clear all implements used when making their choice of brew. Own cups still required.
