

### Australia Wide Novice Pairs 27 May

We look forward to a good competition on Friday, with four and half tables contesting this event which brings together thousands of players from all around the country. While this event is aimed at players with less than 100 MasterPoints as at 31 March, there will also be separate prizes for the best under-50 pairs. Good luck to all our novices. A regular session for those with over 100 MPs will run at the same time.

### Wednesday morning lessons with Peter

Peter Gordon will share his knowledge and provide lessons prior to play on a Wednesday, starting on June 1. The lessons will start promptly at 8.25 am. While several topics will be covered over the course of Peter's lessons he will be starting with 'How to evaluate a hand correctly – do I open or not?'

### Club Championships – Open and Novice

This event was held over three weeks and culminated in a tight finish for first place. Congratulations to Betty Theodore and Lydia George for their excellent win. The novice club championship was convincingly won by Helen Manzau and Sheryl Matthews. Well done to you all.

### Congress (9 and 10 July)

Helpers are needed for our upcoming Congress on 9 and 10 July. If you are able to assist please write your name on the form on the middle table. We will need caddys and members to help in the kitchen during the day. Also, please indicate your willingness to provide home-made cakes, savouries etc on the sheet provided.

### Club Teams Championships

Following very closely on the heels of our Pairs Championship, the Teams Championship will commence next Wednesday 1<sup>st</sup> June. If you have put your name down to play in a team it is imperative that you turn up each week for this three-week event. Teams are allowed one sub. If you are unable to play on any of the three days please arrange a sub or let Susie, Rhonda or Kevin know so that a sub can be organized and the competition is not jeopardized.
