

Congress

A huge thank you to all those who contributed to the success of our recent Congress. The kitchen staff were amazing and worked tirelessly. Those members who brought in cakes, slices, and savoury goodies excelled and numerous compliments were received from visiting players. It was great to see so many members step up and help out in some way, whether it was organising the drinks, washing the tablecloths, setting up the room, dealing the boards (22 boxes in total), selling raffle tickets and money board, providing transport for the director, or paying the bills and balancing the books.

Congress Winners

Congratulations to Sheryl and Ian for their excellent results in the Pairs competition placing second in the B Category. While these two were Bundy's only winners in the pairs, we did really well in the Teams Competition. Betty, Lydia, Helen and Peter played great bridge and were second in the Open Category. Ian, Sheryl, Pat and Carol won the B Category and Selwyn, Trevor, Carol and Kevin placed second in the B Category.
