

Call the Director

If you are unable to play a board due to time constraints it is important to call the director so that the score can be entered as 'Board not Played'. Do not enter it as a 'Passed board' – this could be a huge disadvantage to your final result.

Xmas Party

This year the Christmas Party will be held on Thursday December 15 at the Spotted Dog – 12.00 midday start. There will be no charge for members, however there will be a charge of \$30 for invited guests. Please record your intention to attend on the list located on the sign on table.

Kevin's Friendly Fridays

Due to other events it has been some time since we held this event. The next KFF will be on Friday, 11th November. Please bring some food to share after play. Drinks will be available for a \$2 fee.

BridgeMates

Over the last few weeks there have been a lot of errors entered into the BridgeMates. This can be time consuming for the Director to adjust and if not rectified could be detrimental to your final result. Please take care entering the result and **West**, please be vigilant when checking that North has entered the details correctly.

Monday Play

The numbers for Monday have been diminishing and it is often necessary to play a Howell movement. It is important when following this movement to constantly check the BridgeMates to make sure the correct players are not only at the correct table but seated in the correct direction.

Please help. We need your ideas. Membership numbers have been declining as has the participation on Mondays. Please put your thinking caps on and put forward any suggestions you might have as to how we can increase our Membership and participation, particularly on a Monday.
