### Thank you Jim

The Committee would like to publicly thank Jim Stevens for the great work he did getting the solar panels running to full capacity.

### Australia-wide Novice Pairs 29 May

This event brings together thousands of players from all around the country. While this event is aimed at players with fewer than 100 MasterPoints as at 31 March, there will also be separate prizes for the best under-50 pairs. Novice players are encouraged to write their pair names on the sheet provided on the sign-on table. A regular session for those with over 100 MPs will run at the same time.
